Beginning with this edition of the Connection, we will be highlighting two local businesses that we encourage you to shop with. This month it's Roxy's Cake Studio in Albuquerque and Delaney & Loew in Lawrence.

## WE DO MORE THAN JUST GROCERIES

Did you know that we shop more than just your favorite grocery stores? We shop, pick up and deliver almost anything you need from A to Z – bakeries, coffeeshops, flower shops, home improvement stores, kitchen stores, liquor stores (pending), pharmacies, specialty stores and so much more.

# WE BELIEVE IN OUR COMMUNITIES

Each quarter, Carried Out partners with a nonprofit organization in the Lawrence and Albuquerque communities and donates 5% of our profits from membership fees to them.

## LAWRENCE NON PROFIT OF THE QUARTER

**Big Brothers  
Big Sisters®**  
KANSAS

We are very proud to partner with Big Brothers Big Sisters of Kansas as one of our first non-profits of the quarter! From September 1-December 31, 5% of our membership profits will go towards supporting this program that has already helped thousands of kids in our community.

---

## DON'T LET THIS HAPPEN TO YOU!

“If I had thought about you this past weekend, we could have had Carried Out do all of our shopping in Kansas City and it wasn’t not just groceries. We knew exactly what we wanted. That would have saved us a lot of time and money. We could have avoided the traffic.”

– paraphrasing a disappointed friend
